## JUDGMENT

Comes now, a Judgment and Order from **The Human Rights Tribunal International**,

WHEREAS, the claimant has claimed within the evidence submitted to this tribunal based on Affidavit of Fact and having a True Bill of Indictment as a second witness that the Respondents have and continue to commit violations against the Universal Declaration of Human Rights, and in violation of all of Public Laws-101.

WHEREAS, the claimant has claimed multiple violations under the Universal Declaration of Human Rights on all Thirty (30) Articles of the UDHR, and a violation of all of Public Laws-101.

WHEREAS,

**Extortion- a violation of Public Law 101-3, Public Law 101-5, Public Law 101-7, Public Law 101-12, Public Law 101-17-1 and Public Law 101-17-2**

**Fraud and Misrepresentation- a violation of Public Law 101-3**

**Slavery and Forced Association- a violation of Public Law 101-4 and Public Law 101-20-2**

**Harassment- a violation of Public Law 101-3 and Public Law 101-12**

**Theft of Time and Energy- a violation of Public Law 101-12 and Public Law 101-20-2**

WHEREAS, violation of all 30 articles of UDHR assessed value- 22.5 million the Respondent has committed multiple Human Rights violations against the Universal Declaration of Human Rights.

Whereas, the Respondent(s) are not recognizing the intangible rights of Claimant and demeaning Claimant as an inhabitant. The Respondents do not have the right to change (trafficked) claimant's political status. The Affidavit of Fact from the Claimant shows that the Claimant is an affirmed American National and is no longer considered an inhabitant or a United States Citizen.

Whereas, the evidence shows that slavery is being enforced through the denial of a nationality and refusal of the Legal Tender currency (Continental Dollar) of The United States of America. The Council members for the Borough of Westmont are employees of a Municipal Corporation masquerading as a representative form of government absent any Social Compact, without a judicial body politic in their corporate structure. There is no permanent population. Therefore there is no obligation for the Claimant to pay for corporate capital improvements.

Whereas, even though there is no contract between these parties the Claimant has made a good faith effort to honor the bill for Borough of Westmont infrastructure upkeep that was implemented by the Borough of Westmont. Claimant in good faith, tendered the payment in the amount due which was accepted by the Respondents agent. Then the Legal Tender was refused by the private bank which apparently controls the commercial accounting for the Borough of Westmont, even though the Borough of Westmont or the bank could accept the tender as a foreign functional currency and receive the benefit attached to that mode of accounting of the legal tender.

## JUDGMENT SUMMERY

NOW THEREFORE:

BE IT JUDGED, that the claims brought to the Human Rights Tribunal International gives witness to the existence of Human Rights Violations against the Universal Declaration of Human Rights and violations of all of Public Laws-101 have occurred and that the evidence proves that Respondents did repeatedly dishonor the affidavit of fact (communications) of the Claimant. The Respondents are employees of a Municipal Corporation and are in violation of Public Law 73-10. Having accepted and then refused tender of payment by rule, results in discharge of obligation. The fact that the Respondents now are continuing to escalate demands for double payment plus penalties and threats of legal proceedings without any judicial authority highlights the fraud of the Borough of Westmont and its agents. The acceptance and then refusal of Legal Tender shows its dependency on the private central banking network. Slavery is outlawed in all its forms and will not be tolerated by this court.
